Atrios

Warm intros from people founders trust.

The referral marketplace for companies that sell to startups.

THE PROBLEM

Outbound is noise. Partner programs go quiet.

FIRM PARTNERS

Sign the agreement, then hope.

Law firms, accountants and VCs sign up. Almost none send a lead.

TASTEMAKERS

Paid for every intro.

People founders already ask for advice, directly incentivized to recommend you.

WHO INTROS YOU

3,500 tastemakers inside the startup ecosystem.

- Founders
- Investors
- Community builders
- Fractional CFOs
- Accountants
- Fractional HR

HOW IT WORKS

From recommendation to your AE's calendar.

01

You set the criteria

Who you want to meet, and who you don't.

02

Tastemakers intro

Plus our agent, the moment a founder asks.

03

Every lead is screened

Before anyone is introduced.

04

Booked on your calendar

Round robin, with context attached.

Atrios

ONLY FITS

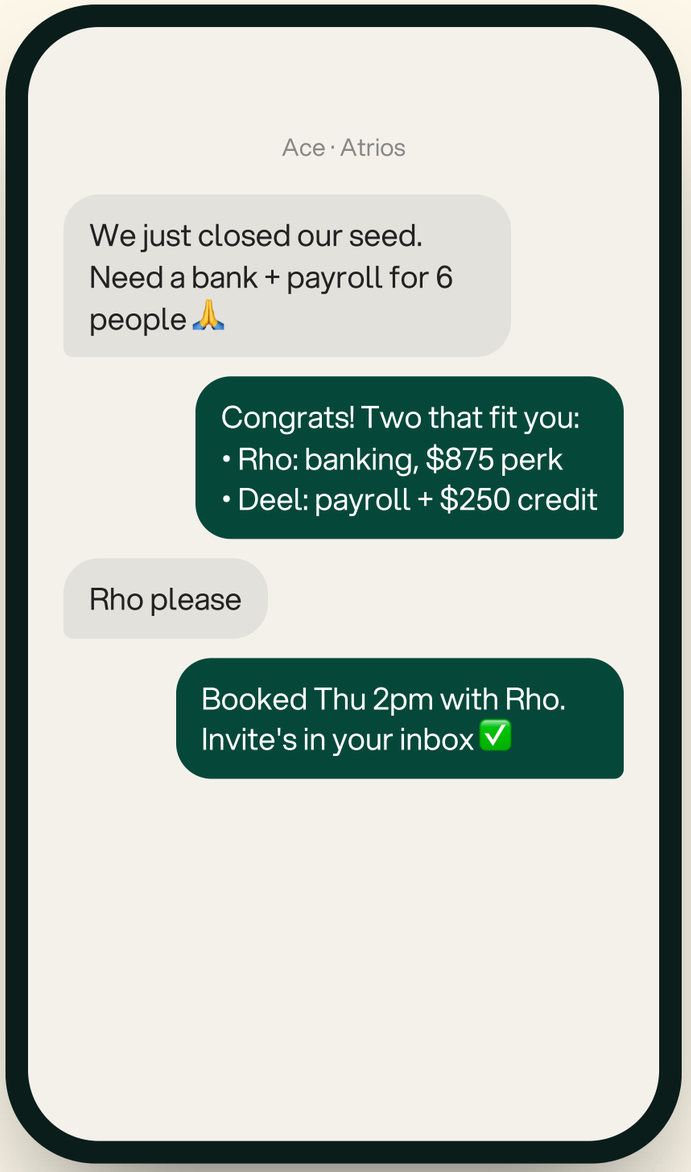

A rejected lead is never introduced. Never charged.

Atrios

ACE, OUR AGENT

Recommends you the moment a founder asks.

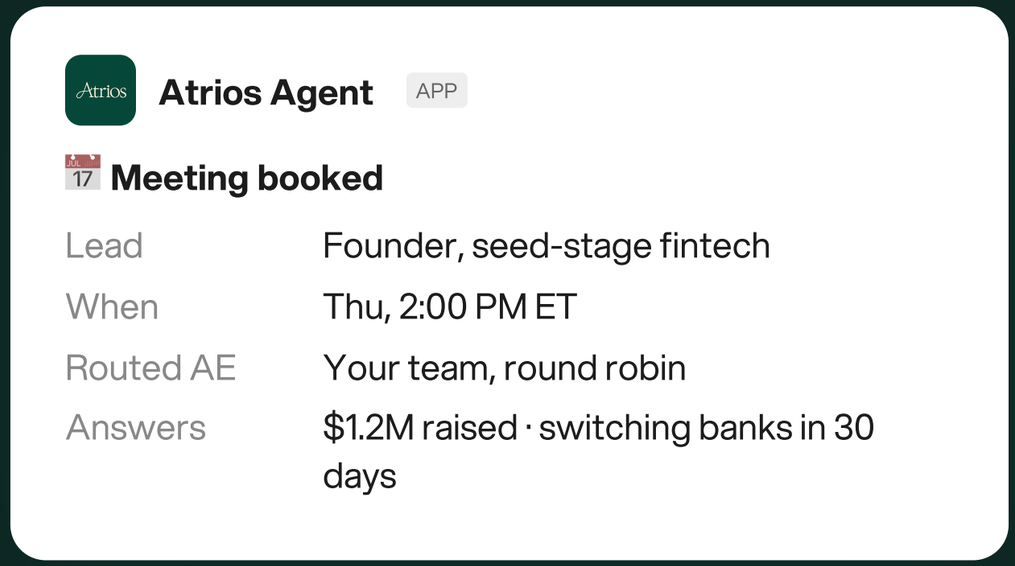

Founders text Ace. Ace matches them to perks they qualify for and books the call.

DELIVERY

Every meeting lands with context.

A shared Slack channel. A note the second it's booked, with the lead's answers.

★★★★☆

WILL YOU MOVE FORWARD?

Yes, comparing one more option this week.

WHAT WOULD GET YOU THERE TOMORROW?

A clear migration plan for our current cards.

BUY-OR-WHY

Know why they buy. Or why not.

After every call, the lead tells us. Your rep gets it to close.

PRICING

Your budget. Your levers.

Platform access

The network, the agent, the team.

Meeting bounty

Paid only for accepted meetings.

Closed-won

Optional, only when a deal closes.

Product perk

What founders get for choosing you.

Spend cap, top-ups and thresholds are yours to set.
